Angela & The Team at Omega Rental Cars

"Really great service. We hired a car for 5 days in Wellington. We were picked up promptly from the airport, the hire car was waiting at the depot when we got there. The staff were very friendly and helpful, the car was clean, well maintained and economical on gas. The full insurance was very affordable. I would highly recommend this company to anyone needing a reliable rental and with no hassle." Magda - July 2014
