"Thank you so much!"

"My friend and I rented a car in New Zealand and the service was great. We were supposed to return it to the Wellington Office before taking the ferry over to Picton, where we were picking up another car. It was dark and pouring rain and we got lost in Wellington and were soon running late for the ferry. We drove to the ferry and called the office. They sent someone over immediately to get the car and we made our ferry.

In Auckland we were able to drop the car off at the hotel we were staying at. Very accommodating. Very friendly and helpful staff.

Thank you so much. "
